Tepania Eco-Park

Tepania Eco-Park was established in 1995 inside Radha Kishorepur Reserve Forest which is located 47 km and 5 km away respectively from Agartala and Udaipur. Over the years the Eco-Park set amidst charming ambience of natural beauty has been upgraded and is having an area of 155 hectares. Tepania Eco-Park has turned out to be a huge tourist attraction.

Tepania Eco-Park is equipped with a modern well-maintained orchid house which houses 225 species of orchids. In addition to endemic species of Tripura, forest department has enriched the collection with species brought from Kalimpong, Coimbatore, etc. There is a Cactus House which has 250 samples collected from various parts of our country. A Tree House inside the park offers a thrilling night stay facility for a couple in a sylvan environment. The other attractions of Tepania Eco-Park are a unique wooden hanging bridge, medicinal garden and a watch tower for viewing the wild life in a perfect and panoramic habitat.
