# Trishna Wild Life Sanctuary

Situated about 111 km from Agartala, Trishna Wildlife Sanctuary is another protected area dedicated to the vital mission of the conservation of nature, wildlife and biodiversity which is frequented by visitors and tourists. Its area is 194.704 sq. km. Apart from the healthy forest coverage and plants, the great attraction of this Wildlife Sanctuary is a sizeable population of Gaur or the Indian Bison. Trishna also harbours a good stock of avifauna population which is integral to the prevalent ecosystem of the Sanctuary. Another facet of Trishna Wildlife Sanctuary is the fact that it is also the habitat of and home to the Hoolock Gibbon - a highly endangered ape species of the Indian subcontinent, and primates like the Capped Langur and the Golden Langur.

A huge lake under deep forest surroundings with boating facilities is one of the beautiful attractions of Trishna Wildlife Sanctuary. Apart from this, there is a nice butterfly park, a View Tower and amazing walking trails through forest area.
